October 2018

1st Announcement
41st Mycotoxin Workshop 2019
6th – 8th May 2019
Lisbon, Portugal

The Society for Mycotoxin Research cordially invites you to join the 41st Mycotoxin Workshop in Lisbon on May 6 - 8, 2019. The conference will be organized by the Lisbon School of Health Technology, Instituto Politécnico de Lisboa (ESTeSL-IPL) in collaboration with the Society for Mycotoxin Research and will take place at Lisbon School of Health Technology (<https://www.estesl.ipl.pt/en/location>).

For your accommodation during the workshop we recommend to book very early the hotels nearby the conference venue. Details for reservation will be available on <http://www.mycotoxin-workshop.de/Accommodations.php>.

The registration page is accessible now. Please use the online form on <http://www.mycotoxin-workshop.de> and follow the instructions for confirmation of your registration and payment which will be forwarded to you by email right after you have registered.

Abstracts for oral or poster contributions should be submitted via the webpage http://www.mycotoxin-workshop.de/talks_n_posters.php. The final acceptance of your contribution will be confirmed by the Scientific Committee until March 15th, 2019.

At this workshop a special topic will be Climate Change, Toxigenic Fungi and Mycotoxins. Scientific contributions related with this topic are appreciated.
